Chill & Chew with **OrthoChewz!**

ORTHO  
**CHEWZ**™

orthocare essentials™

**OrthoChewz** innovative formulation was created by an orthodontist to provide a science and research driven solution for discomfort while wearing aligners and braces. **OrthoChewz** are one of the 1st ever dissolvable chews that also provides beneficial ingredients for a healthy mouth. Rather than using silicone products that can harbor bacteria in your aligner case, you can now have the convenience and benefits of using our dissolvable chew anytime, anywhere!

Scan to Order

- Relieves discomfort & dry mouth
- Chill, chew & soothe for up to 5 minutes or more
- Dissolves in your mouth, lasting over 1 hour
- Made with functional & beneficial ingredients

**Heres how to use OrthoChewz**

1. Open pack of OrthoChewz. For extra chill, store in fridge.
2. Take out 1 OrthoChewz & place in mouth.
3. Store remaining OrthoChewz in pack & seal.

4. Seat your aligner trays & chew for 5 minutes or as desired.
5. Allow OrthoChewz to dissolve in mouth for over an hour.
6. If using OrthoChewz for braces, chill & chew anytime.
